Attend the Classes Compulsorily

Dear children

Your On-line classes will continue till 15th May. It is important that you make good use of these On-line classes. These are all syllabus completion classes. Live classes are also being conducted. You can share your doubts with your teachers during live classes. Don't miss these wonderful learning opportunities during these tough times.

As per the CBSE guidelines online sessions are included in total working days. Every day's attendance is being counted. Those who miss these classes are being marked absent. If their annual attendance is less than 75%, as per CBSE guidelines they can't be permitted to attend the classes.

You need to note.

Regards

Rajiv Arora

Principal
