

2020-A Dream fulfilling Year

The teachers of the school assembled at the school on 2nd January 2020.

They all resolved to work like a strong team so that all the students of the school may have holistically developed personality. All the teachers decided in a determined manner to make Bal Bharati Public School a real Centre of Excellence in 2020 where students learn to maintain proper balance between academic and co-academic pursuits. All the teachers were of the unanimous view point that value system of children has to be very strong so that their energy may not be wrongly channelized.

A workshop on the theme "2020-A Dream fulfilling Year" was conducted on 2nd January 2020. Through this workshop a comprehensive line of action that is to be followed in 2020 was discussed. All the teachers agreed upon this view point that a proactive approach towards teaching is required to ensure holistic development of the students.

Resolution of BBPS Team

No one will be able to find
Even a trace of negativity
Of any kind.
In our temple so pious
In our mind.
In darkness we won't grope
We won't ever lose hope
We will keep it alive
We will constantly strive
Problems may be plenty
In the year 2020
Problems will disappear
When we strive without fear
We will work
We won't shirk
Time is prized
It will be utilized
For the cause of learning
The flame of which
Will be kept burning
The workplace of mine
Is a stage so sublime
Where I am to perform
With a lot of feel
With a lot of zeal
With complete heart
With complete soul
For a noble task
For a pious goal
Our goal is our identity
Our success guarantee
Wish you all
A Happy 2020
