1.2 CHARACTERISTICS OR FEATURES OF MANAGEMENT

1. **Management is Goal-oriented Process.** Management always aims at achieving the organisational objectives. The functions and activities of manager lead to the achievement of organisational objectives. Management unites the efforts of different individuals in the organisation towards achieving **Managerial functions** **Aim Towards** **Goal of the organisations**.

2. **Management is Pervasive.** Managerial activities are performed in all types of organisations, in all departments and at all levels. Management is required in all organisation whether big or small, manufacturing or service organisation, profit or non-profit making organisation. Concept of management is used in whole world. What managers do in India, USA, Germany or Japan is same, how they do it may be quite different.

3. **Management is Multi-dimensional.** Management does not mean one single activity but it
