WORKSHOP REPORT

DATE : 12th, NOVEMBER, 2020 [SUNDAY]
ORGANISED BY : BBPS NOIDA,SCHOOL
THEME : INTEGRATING MUSIC LESSONS WITH CORE CURRICULUM
RESOURCE PERSON : Mr. PRADEEP PALLAVI & Ms SOMNA MAM
ATTENDED BY : ANIL KUMAR TIWARI

Webinar on Integrating Music lessons with Core Curriculum was amalgamation of music with subject matter. Our resource person Mr. Pradeep pallavi beautifully explained the seven notes of music with different taals and told how music helps in therapy and mental relax.

As music involves sound, frequency, pitch and wavelength therefore well related with physics, maths and science.

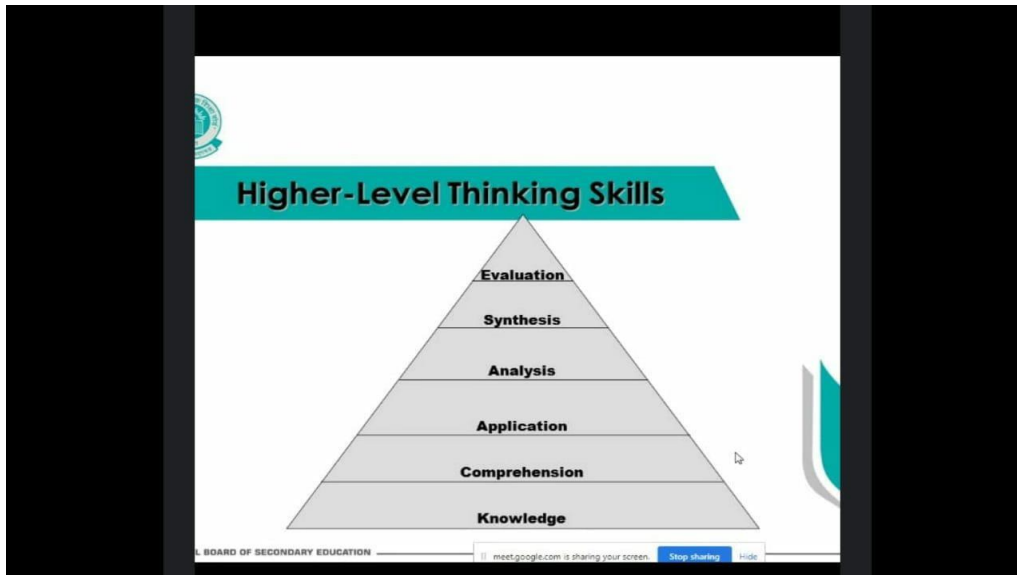

Ms Somna Mam told that why goddess saraswati hold books on left hand as it is related with active part of brain.she also exemplify the role of music in different fields like how process of vermicomposting effect from it and how its reduces the difficlty level of subjects when correlated with music.

Really it was totally knowledgeable session regarding music.The workshop was very significant.

I am thankful to Principal Sir for providing such platform where we learn new and varied approaches and equipped ourselves to execute these practices .

Report presented by

ANIL KUMAR TIWARI

Interdisciplinary teaching and learning:
The chief aim of this project is to determine how successful students are at writing and recording a set of audio guides about a specific topic. A secondary aim is, if possible, to achieve an exhibition as a final product using these audio guides, with one or more lower level classes as intended audience. With the skills and competencies developed during this project learners will develop their explanation and presentation skills.

CENTRAL BOARD OF SECONDARY EDUCATION
