“ Effective teaching is inherently a compassionate process. It leverages assessments for learning. Effective learning involves the holistic development of students.”

On 15-05-2021, I attended the workshop on the topic “ Effective teaching and learning in the context of NEP ,2020 which was very informative session .This informative session was taken up by **Mr. Pankaj Agarwal**. More than 250 teachers attended the workshop.

He explained us the different ways in which teaching and learning can be more authentic keeping in mind some key guidelines of National Education Policy , 2020.He explained about Class Saathi app in which we can mange students – take attendance and monitor learning. Class Saathi app eliminates time spents on correcting answer sheets. He also explained that page No. 18 of NEP 2020 - AI based software used by students to help track through their school years based on learning data and interactive questions for parents, teachers and students.

The resource person who took the workshop was immensely experienced and professional. The interactions made sure that there was no low point in the session. It gave everyone a clear perspective for the long run. It was very informative and interactive and even quite fun filling session. I am very thankful to my school for giving me this wonderful opportunity to attend this webinar.
