

CBSE Webinar Report

DATE	: 14 th July, 2021. [11:00 am to 12:00 noon]
ORGANISED BY	: CBSE, Centre of Excellence: Delhi East
THEME	: Digital Learning and Management
RESOURCE PERSON	: Mr. Vividh Gupta, Principal, Bal Bhawan School, Delhi
ATTENDED BY	: Mr. Ankur Sharma

“Digital learning and Management” were the theme of CBSE Webinar, conducted on 14th July with the main theme to understand the transformation of conventional learning to Digital form. Mr. Vividh laid emphasis that technology enabled learning actively engages students in thoughtful integration of ideas to enhance their learning.

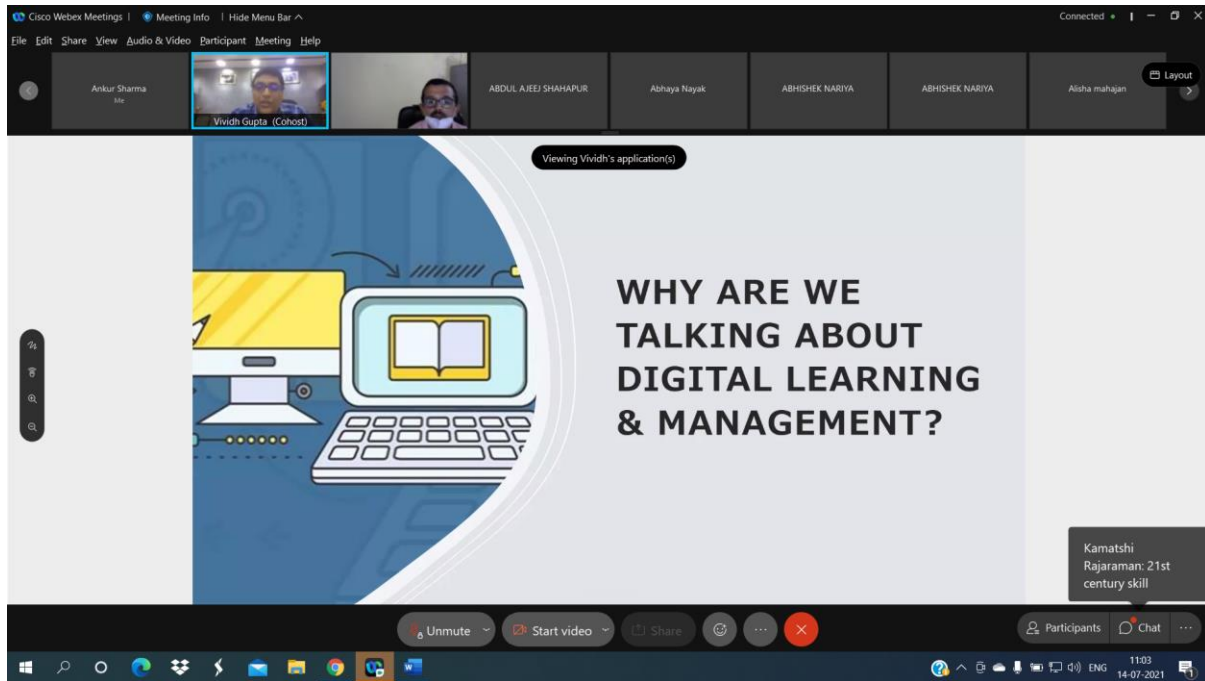

CBSE Resource person Mr. Vividh Gupta enlightens us and provided deep insight on the following points:

- Digital Learning and Digital Learning Platforms
- Online Education (Synchronous and Asynchronous Learning)
- Blended Learning- Its advantages and disadvantages
- Advantages of Digital Learning for Students
- Key Challenges
- Different Class room Management Tools
- Subject Specific Tools
- Initiatives by Indian government

The information given by Mr. Vividh Gupta in the session “Digital Learning and Management” were very useful. Now in this pandemic situation everyone is using different kinds of tools for online learning/teaching. So, I personally feel this session will help a lot for teachers to effectively use all the tools.

Prepared by- Mr. Ankur Sharma

DIGITAL LEARNING PLATFORM

E-learning is a medium for engaging learners in an online training course. E-learning courses can exist in many forms, using different types of technologies. E-learning can help learners complete training and education objectives with ease and flexibility as compared to traditional classroom-based learning.

E-learning courses can use a variety of content, including audio and video lectures, presentations, assessment, assignments, polls, surveys, reading materials, multiple choice question answers and more.
