

REPORT ON WEBINAR

TOPIC OF THE SESSION: CRITICAL LITERACY

RESOURCE PERSON: A.N.SURYAVATHY

DATE: 8th July 2021

TIME: 10:00 a.m. to 11:00 a.m.

1. WHAT IS CREATIVE LITERACY?

Creative literacy is a concept that looks beyond sitting with a book. It is a “holistic” approach, in that it incorporates activities that can strengthen activities that can strength reading skills but are more focused on broader learning. In many cases it is an activity that on the surface doesn't even look like it's related to literacy or learning to read.

2. WHY DO WE NEED CREATIVE LITERACY

- ✚ Bringing creativity and literacy together can be a powerful tool in teaching.
- ✚ It allows children to be active in literacy, from acting our plays through characters that they've mad themselves or through making props.
- ✚ It allows children to explore their imaginations. Getting involved in a story re-enforces the learning and can also teach practical skills.

3. THE ROLE OF A TEACHER IN DEVELOPING CRITICAL LITERACY

- ✚ Encourage students for reading, debate in any topic.
- ✚ Encourage them for planning ahead.
- ✚ Friend, guide and facilitator
- ✚ Provide opportunities to inquire
- ✚ A teacher plays the role of facilitator helps in the expansion of the critical thinking guide the students right direction.

3. Use OF THE 5 Ws

- + Who is in the photograph?
- + What is happening in the photograph?
- + Where (location) is the photograph showing?
- + When was the photography taken?
- + Why do you think this photograph is so important? (purpose)

4. THREE LEVELS OF QUESTIONING

- + Literal/Perceptual/Noticing
- + What do you see/hear?
- + Inferential/ Interpretive
- + What could it mean?
- + Evaluative/ideological/implications:
- + What are the intentions of this text?
- + How would the message change if some element were different?

Workshop on “CREATIVE LITERACY” was indeed very informative and innovative and will surely help me a lot in my working also.

I have learnt a lot many innovative things to improve myself through the session.

I am very grateful to you sir for providing me this opportunity.

Thank you so much sir.

Evidence of workshop:

The screenshot shows a Webex meeting interface. At the top, the Webex logo and a dropdown arrow are visible. Below that, a Slido poll is displayed with the title "What do you think is the role of a teacher in developing Critical Literacy?". The poll options are:

- Encourage students for reading, explore in any form
- Discuss them and for planning ahead
- Provide opportunities to write

The poll results show that the first option is selected. Below the poll, there is a QR code and the text "Join at slido.com #203 101". At the bottom of the screen, a video feed of A.N. SURYAVATHY is visible, showing her from the chest up. She is wearing glasses and a patterned top. The video feed has a name tag that reads "A.N. SURYAVATHY".
