Topic : CBSE Career Guidance and Counselling webinar for school students

Hosted : CBSE and UNICEF – Panel of 10 – 15 members

Career guidance plays a very important role in the lives of all individuals, as it helps in setting future goals and choose careers. Career guidance is much needed service to those who did not plan for their future at an early stage, more at an early stage, more should be done to assist the younger generations in personal career development.

On 04 -08-2020, I attended the workshop for career guidance which was very informative session .More than 130 K teachers attended the workshop.

NEP 2020 also promotes that vocational and career counseling should be made available to all the students and help them in identifying their interest and talent for devising appropriate career pathways.

To address the problems of lockdown and its ramifications, cancellations of annual exams, closure of schools, online teaching, CBSE launched an app for psycho social wellness of students of classes IX – XII during the pandemic. The live counselling sessions are conducted free of cost, thrice a week by the trained counsellors and principals in India and at Saudi Arab , UAE, Nepal, Japan, Singapore, and USA.
