

# SUMMER HOLIDAY HOMEWORK :2023-2024

Class : 5

Submission Date 19<sup>th</sup> June 2023

# English : Class V

## ACTIVITY AND INSTRUCTIONS:

1) Design a beautiful Book Cover for the book that you enjoyed reading during your vacations and then write the review for that book. ( You may use ruled / plain A4 sheets.)

*The Book Review can consist of:*

- *The name of the book along with that of the author, the illustrator and the publisher.*
- *The setting of the story e.g. “No Difference Between Us”- This story is about a girl who changed the world.*
- *What you liked and disliked about the story must be written.*
- *Anything in the story that touched your heart or you found interesting can be added.*

## Learning Outcomes:

- A book review comprises of three critical parts: the summary, the background and details about the author.
- Students will identify and comprehend vocabulary related to book reviews.

# Science : (Integration with Art)

## **ACTIVITY AND INSTRUCTIONS:**

Make a model of a hut using green /brown paper, shoe box, empty Match boxes, card board, broomsticks, straw, ice cream sticks etc.

Place the model on a tray containing some soil.

Read the chapter “Houses All around” for your reference and collect pictures of different houses from newspapers and paste them on a chart paper. Study and write the materials used in construction, based on climate or any other aspect.

*It is time to put your creative hats on !*

*The students will design and create a menu card for a restaurant publicising balanced and healthy dishes with proper description of the dishes and nutrients in them. The menu should have at least two healthy starters, juices, salads, main course and desserts each..Do not forget to be creative. On the cover of your menu write the name of your restaurant, your name, class and section.*

**PONDER AND WRITE- :** *On the last page of your menu, share your views on the topic: “Cooking is a life skill that both boys and girls should know.”*

## **LEARNING OUTCOMES:**

The learners will be able to learn about construction materials.

Identify nutrients in our diet and how it can be applied to our daily lives.

The designing part of a menu will allow the learners to embrace their artistic side

## ACTIVITY AND INSTRUCTIONS:

Find the area of any 5 states of India. Using Indian number system, write the figure in words.

Write the population of any 5 neighboring countries of India and represent it on place value chart.

Write the area of any 5 neighboring countries of India and represent it on place value chart.

Note – Prepare the project on A4 /A3 size sheet .

## Learning Outcome :

The learners will be able to identify the measures taken by government to attain gender equality.

The research will help students to search, locate, extract, organise and evaluate data.

## ACTIVITY AND INSTRUCTIONS:

Dear students ,

- 1) Make a 3-D model of the Earth and mark the following- Latitudes, Longitudes, Tropic of cancer, Tropic of Capricorn. (suggested material- clay, ball, paper Mache).
- 2) Make a collage on wildlife plants and animals and submit it in the form of jpeg and png format.

\*You can use goole platform to collect data.

\* Refer the attached pictures for the reference.

## **Learning Outcome :**

Students will be able to learn more about environment and the earth.

Learners will be able to locate the different lines of latitudes and longitudes on the globe.

# Hindi : Class V
