

Title: Educational Visit and Training at Bhopal Vidhansabha

Introduction:

14th and 15th December, the students of Class 9th embarked on an educational visit to Bhopal Vidhansabha, accompanied by their teachers. The visit included a two-day training program conducted by Pandit Kunjilal Sansadiy Vidyapeeth, enriching the students' understanding of parliamentary proceedings and civic responsibilities.

Training Sessions:

Pandit Kunjilal Sansadiy Vidyapeeth organized an engaging and informative training program for the students. The sessions covered various aspects of parliamentary functioning, legislative processes, and the role of elected representatives. The trainers skillfully combined theoretical knowledge with interactive activities, making the learning experience both enjoyable and insightful.

Feedback and Impact:

The students who attended the training expressed positive feedback about the sessions, highlighting the clarity and relevance of the information provided. The training not only enhanced their awareness of the political system but also instilled a sense of civic duty and responsibility. Students found the practical exercises, mock sessions, and discussions to be particularly beneficial in grasping the intricacies of parliamentary proceedings.

Bhopal Vidhansabha Visit:

The educational visit to Bhopal Vidhansabha offered students a unique opportunity to witness the democratic process firsthand. They observed legislative sessions, toured the assembly premises, and gained insights into the functioning of state governance. The visit to Vidhansabha complemented the theoretical knowledge gained during the training sessions, providing a holistic understanding of the Indian parliamentary system.

Conclusion:

The combination of the two-day training at Pandit Kunjilal Sansadiy Vidyapeeth and the visit to Bhopal Vidhansabha proved to be a valuable educational experience for the Class 9th students. The initiative not only broadened their knowledge of governance and democracy but also inspired a sense of civic responsibility that will undoubtedly contribute to their holistic development. Such educational endeavors play a crucial role in shaping informed and responsible citizens for the future.
