

REPORT ON TEACHER'S TRAINING PROGRAMME BY EKLAVYA FOUNDATION

Date: 16th March 2024

Venue: Eklavya Bhawan, Jannalal Bajaj Parishar, Jatkhrdi, Bhopal

Eklavya Foundation organized a **Teacher's Training Programme**, aimed at enhancing the quality of education and fostering innovation in teaching methodologies. The primary focus was on promoting qualitative education among children through literature publication and its role in enhancing interest and language learning.

The programme aimed to:

1. Equip teachers with effective teaching techniques for literature and language education.
2. Foster interest and engagement among students through innovative teaching methods.
3. Enhance language learning abilities among children through literature.

Resource Persons:

1.Ms. Deepali Shukla - Translator, Eklavya Publication Programme

2.Mr. Kunwar Singh 3.Mr. Vishwas Sethi

The resource persons introduced various teaching activities to effectively impart literature and language education. These methods were designed to make learning engaging and accessible for students, thereby improving their comprehension and retention. The main activities for Language Learning:

Poetry Learning by Action: This activity aimed to promote active learning by encouraging students to engage physically with poetry. Through actions and movements, students could better understand and internalize the meaning of poems.

Book Talk: This activity facilitates critical thinking and enhance memory power among students. By discussing and analysing various aspects of books, students were encouraged to think deeply and form their own opinions.

Pictionary Activity: This activity stimulates students' thinking and imagination abilities by prompting them to express ideas through drawing. It encouraged creativity and helped students develop their vocabulary and language skills.

The Teacher's Training Programme conducted by Eklavya Foundation provided valuable insights and practical strategies for enhancing literature and language education in schools. By equipping teachers with innovative teaching techniques, the programme aimed to create a more engaging and effective learning environment for students.

Overall, the event was a resounding success, with participants expressing enthusiasm and appreciation for the valuable knowledge and skills gained. Such initiatives play a crucial role in advancing the quality of education and promoting holistic development among students.
