Participants: Class 9th students from Bal Bharati Public School portrayed leaders from different districts, engaging in debates and discussions on various socio-economic issues.

Objective:

The Youth Parliament aimed to provide a platform for young minds to engage in parliamentary-style debates, simulate political processes, and voice their opinions on pertinent issues affecting society.

Highlights:

- **Leadership Portrayal:** Students assumed the roles of leaders from different districts, embodying their personas and advocating for the needs and concerns of their respective regions.

- **Debates and Discussions:** Engaging debates took place on topics ranging from education and healthcare to employment and infrastructure development.

- **Appeals for Remuneration:** Some leaders appealed for remuneration and incentives for their districts, highlighting the disparities and pressing needs for economic upliftment.
- **Solutions and Recommendations:** Participants not only identified problems but also proposed innovative solutions and recommendations to address the challenges faced by their districts.
- **Enhanced Communication and Critical Thinking:** The event fostered effective communication skills, critical thinking, and civic engagement among the young participants.

Conclusion:

The Youth Parliament at Bal Bharati Public School provided an enriching experience for the participating students, empowering them to become active citizens and future leaders. Through thoughtful deliberations and constructive dialogue, they showcased their potential to contribute positively to society. Such initiatives are instrumental in nurturing the leaders of tomorrow and promoting democratic values among the youth.

Acknowledgments:

We extend our gratitude to the organizers, faculty members, and enthusiastic participants for making the Youth Parliament a resounding success. Special thanks to the students of Class 9th for their enthusiastic participation and insightful contributions.
