Today at 1.00 PM all the teachers ,Bal Bharati Public School attended work shop on POCSO Act, It was very interesting and informative which enlightened on the Protection of Children from Sexual Offences (POCSO) Act.

The legal experts gave their time and effort to educate us on this crucial posco subject. Their insights and expertise have provided us with a comprehensive understanding of the POCSO Act, clarifying numerous doubts and equipping us with the knowledge to handle various situations effectively.

It was very much appreciative of the detailed explanations and practical examples that made the complexities of the law more accessible and comprehensible. This workshop has significantly enhanced our awareness and preparedness to protect the rights and safety of our students.

There was an active participation and engaging discussions, which enriched the learning experience for everyone.

We look forward to applying what we have learned to create a safer and more secure environment for our students.
