Venue -BAL BHARATI PUBLIC SCHOOL, NISHATPURA.

2 days' training to use senses panels effectively was conducted for the teachers of Bal Bharati Public Public Schools, Nishatpura and Neelbad .It was very interesting and informative session which enlightened about the wonderful uses of interactive panels .

The objectives of the training were clearly defined and explained.The topics covered were relevant .They explained tools like sharing of images maps ,videos and PDFs during the instructional process .

It was explained in detail, how the panels can be used in different disciplines to make teaching - learning impactful and interesting.

The insight and expertise of the Master Trainer Ms Pradnya provided a comprehensive understanding of the use of technology, she solved

numerous doubts the teachers raised regarding handling various situations effectively.

It was very much appreciative of the detailed explanations and practical examples. This workshop has significantly enhanced the knowledge of senses panel technology .

There was an active participation and engaging discussions, which enriched the learning experience for everyone.

We look forward to applying what we have learned for our students.
