Dear Parents,

Greetings!

At Bal Bharati Public Schools, we are dedicated to the holistic development of our students. This noble aim is achieved not only through academic excellence but also by fostering overall personality development, preparing our students to be aware and responsible citizens of the future.

In line with this objective, we have organized a visit to Reliance Mega Mart, DB Mall, Bhopal, for our students in classes 3 to 5. This visit is scheduled for the 13th of August and will take place within school hours.

We kindly request all parents to take note of this event and ensure their children are present at school on the aforementioned date.

Warm regards,

Principal
