Dear Parents/Guardians,

We are committed to ensuring the well-being and comfort of our students. With this in mind, we kindly request your cooperation in helping us reduce the weight of school bags. Please note the following guidelines:

1. **Required Books Only:** Kindly ensure that your child brings only the books and notebooks required for the day's lessons as per the timetable. This will significantly reduce the burden of carrying unnecessary materials.
2. **Smaller Water Bottles:** We encourage the use of smaller, lightweight water bottles that can be easily refilled throughout the day as the school has well maintained RO and water cooler.
3. **Lightweight Lunch Boxes:** Please opt for lightweight lunch boxes that are easy for your child to carry.
4. **Cloth Pencil Pouches:** To further minimize weight, we recommend using cloth pencil pouches, which are eco friendly too, instead of heavier alternatives.

Your cooperation in implementing these measures will go a long way in ensuring the physical comfort and health of our students. We appreciate your understanding and support in this matter.

Thank you for your continued partnership in your child's education.
