

REPORT ON CAREER COUNSELLING BY ‘SRM University’

Date: 9nd August 2024

Venue: M.P. Hall

Conducted by, SRM University

Resource Persons:

Dr. Sabyasachi Mukhopadhyay (Associate Professor, Dept. of Physics)

Dr. Vineeth Thomas (HOD, Dept. of Political Science)

Mr. Anup Multaikar (Area Manager)

The career counselling session was led by distinguished faculty members of SRM University at Bal Bharati Public School in Neelbad.

The instructors gave thorough lectures on well-known subjects like engineering, medicine, commerce, humanities, and sciences. They went into detail about each field's possible job opportunity, the range of courses that are offered, and the academic requirements.

Students were able to make more informed decisions about their future academic and professional paths thanks to the great information that was presented. Discussions about the competencies needed for various professions and the significance of matching one's interests and strengths with one's career decisions were also covered in the orientation.

The students found the Q&A session beneficial since it allowed them to ask questions about a variety of topics related to their chosen careers.

The career counselling session was very valuable and educational overall, giving students the knowledge they needed to make wise decisions about their futures.
