

Doordarshan Visit

On the auspicious occasion of India's 78th Independence Day, a selected group of children from Bal Bharati Public School, Neelbad, Bhopal had the special recording session for the program of Independence Day by Doordarshan which will be telecast on the State Doordarshan channel on 15th August and the performances will be showcased throughout the year intermittently. The recording took place on August 8, 2024, in the Doordarshan Studio in Bhopal.

This opportunity allowed the pupils to contribute to a national broadcast exhibiting their talents and patriotism on Independence Day. Students began preparing weeks in advance, guided by Dance and Music faculty members. They were charged with performing three patriotic songs and two traditional dance performances that captured the spirit of independence. Rigorous practice sessions were held after school to ensure that every detail of the performance was excellent.

The students had a fantastic time attending the Doordarshan recording session for Independence Day. It not only allowed students to demonstrate their skills on a national scale, but it also helped them comprehend the significance of Independence Day.
