

Bal Bharati Public School

Neelbad, Bhopal

International Youth Day

Bal Bharati Public School, Neelbad commemorated International Youth Day on August 12, 2024, with much excitement. The event was arranged to acknowledge young people's critical role in molding the future and to encourage them to actively participate in tackling global concerns. This year's theme, "Green Skills for Youth: Towards a Sustainable World," reflected the school's dedication to environmental education and sustainable activities.

Senior students gave a special assembly presentation to raise awareness about the significance of the day and the role of youth in influencing the future world through the use of technology while ensuring sustainable development.

World Elephant Day

On August 12, 2024, Bal Bharati Public School, Neelbad commemorated World Elephant Day with a variety of activities intended at promoting awareness about elephant conservation and the critical need to safeguard these majestic animals. The program was intended to teach kids about the importance of elephants in the environment, as well as the risks they face from habitat loss and poaching

1 "Elephant Pledge" taken by all students and staff members. The pledge focused on committing to the protection of elephants and their habitats. Students pledged to support conservation efforts, avoid products made from ivory, and raise awareness about the plight of elephants.

2. The school auditorium hosted a screening of the documentary "Gentle Giants in Changing Times" for the primary and middle wing students. Elephants in the wild confront many difficulties, such as poaching, habitat deterioration, and conflict between humans and other wildlife. The video gave a thorough look at these issues. It also demonstrated the persistent efforts of environmentalists who are trying to save these gentle giants. Students discussed their opinions and insights on the documentary during the discussion period that followed the showing.
