

Report on NEP KAMP Seminar

Organized by: NAESTA Agency

On September 24, 2024, NAESTA Agency hosted the NEP KAMP seminar for students of classes 7 to 11 in M.P Hall. The seminar focused on the National Education Policy (NEP) 2020, emphasizing the significance of Artificial Intelligence (AI) and Robotics in education, Registration of Students in KAMP National Level Exam . Mr. Akash Deep, the resource person, led discussions on integrating these technologies into the curriculum to enhance learning experiences.

He highlighted the importance of hands-on learning in AI and robotics labs, aiming to develop critical thinking and problem-solving skills among students. The interactive session encouraged students to engage actively and ask questions about the future of education and technology. Overall, the seminar effectively informed students about the evolving educational landscape and the role of NEP 2020 in shaping it.
