

"EACH AND EVERY ANIMAL ON EARTH HAS AS MUCH RIGHT TO BE HERE AS YOU AND ME"

Dear Parent,

In continuation of our endeavour to expose school children to different experiences for their overall development, it is proposed to organize an Educational trip to Van Vihar for the students of Classes III to V, on 4th October 2024, Saturday. This visit has been planned to provide them an authentic and developmental platform to discover, explore and learn about the different types of Fauna exhibited there.

The Van Vihar, Bhopal, boasts of housing many species in their natural habitat

This is indeed a unique opportunity for your ward to visit there. As the entry fee is applied and to be paid there, so a nominal amount of Rs 50/- is going to be charged for this trip. Your kind cooperation is solicited.
